## *Saints' Days*

*Saint Swithun: Swithun was an Anglo-Saxon bishop of Winchester and subsequent patron saint of Winchester Cathedral. His historical importance as bishop has been overshadowed by legends of posthumous miracle-working. # Nelson Mandela International Day

## Take Action! Inspire Change

In November 2009, the UN General Assembly declared July 18<sup>th</sup> “Nelson Mandela International Day” in recognition of the former South African President’s contribution to the culture of peace and freedom.

From that time, the UN joins with the Nelson Mandela Foundation to devote **67 minutes of time** to helping others, as a way to mark this special day. According to the website for the Foundation, the objective of this day “is to inspire individuals to take action to help change the world for the better and in doing so build a global movement for good.”

To be a part of the Mandela Day movement, all that is required is an action that helps change the lives of someone for the better. Persons should strive to leave others with a sense of empowerment and build pride among and within communities.

Let us challenge ourselves to make July 18<sup>th</sup> and every other day, Nelson Mandela International Day!

**“We can change the world and make it a better place. It is in your hands to make a difference.”**

**Nelson Mandela**

## *Franciscan Benediction*

*May God bless us with discomfort at easy answers, half-truths and superficial relationships, so that we may live from deep within our hearts.*

*May God bless us with anger at injustice, oppression and exploitation of God's creations, so that we may work for justice, freedom and peace.*

*May God bless us with tears to shed for those who suffer pain, rejection, hunger and war; so that we may reach out our hands to comfort them and to turn their pain into joy.*

*And my God bless us with just enough foolishness to believe that we can make a difference in the world, so that we can do what others claim cannot be done.*
